

Independent Electrical Contractors, Inc.

Oklahoma City Chapter

Accepting Applications Year Round!

Apply in person by appointment daily Monday-Friday
1504 S. Walker, OKC
call 319-0800 to set up an appt.

This Four-Year USDOL/BAT approved program offers classroom and
Job related training, in English..

REQUIREMENTS:

(All applicants must provide proof of these requirements)

- ✓ Be at least 18 years old, Proof by Photocopy of your Drivers License OR other valid identification that shows proof of age
- ✓ Possess either a high school diploma (indicating graduation date), GED Certificate complete with score sheet or have 2,000 hours verifiable experience in the electrical trade. Send for these documents immediately.

Please Note: Your application **will not be processed** if you have not provided the documents listed above.

DIRECT ENTRY AVAILABLE FOR:

(Direct entry applicants must meet all requirements)

- ✓ Veterans who completed military technical training school AND participated in a registered electrical apprenticeship program while in the military.
- ✓ Youth who completed a Job Corps training program.

You will need to ensure that you gather the following documents in advance of the application window so there is no delay in processing your application.

The recruitment, selection, employment and training of apprentices, during their apprenticeship, shall be without discrimination because of race, color, religion, national origin, sex or age. IEC-OKC will take affirmative action to provide equal opportunity in apprenticeship and will operate the apprenticeship program as required under Title 29, CFR Part 30.

To increase your rating you **CAN & SHOULD** provide as many of the following as possible:

- Up to three letters of reference. These letters of reference can be from a current employer, previous employer or character reference. It is important to note that a letter of reference from a current employer, who is also an electrical contractor, garners the most points. The letters of reference garnering the next amount of points (in descending order) are letters from any other current employer, a previous employer, followed by a character reference. All are important and increase an applicant's score!

- Proof of (transcripts/certificates) of higher education, such as:

4 Year College Graduate
Some College
Vo-Tech - Electrical
Vo-Tech - Other
Apprenticeship/Job Corps

- Proof of (transcripts) math or construction related classes completed with a C or higher:

High School or College - Trigonometry
High School or College - Algebra 1
High School or College - Algebra 2
High School or College - Drafting
High School or College - Other Math

- Proof of work experience – You will need to be prepared to answer the following questions for additional points:

How much time have you spent working, in the field, doing electrical construction?

3 or more years
More than 2 years but less than 3 years
More than 1 year but less than 2 years
More than 6 months but less than 1 year
1 to 6 months experience

How much time have you spent working in a related field?

3 or more years
More than 2 years but less than 3 years
More than 1 year but less than 2 years
More than 6 months but less than 1 year
1 to 6 months experience

How long have you been employed by the same company in any occupation?

3 or more years
More than 2 years but less than 3 years
More than 1 year but less than 2 years
More than 6 months but less than 1 year
6 months or less
