## WHEN?

August 27th-29th

Aug 27

Aug 28

Aug 29

Training all day from 8am-5pm

Breakfast & Lunch provided each day

## WHERE?

IEC-OKC  
1504 S. Walker Avenue  
Oklahoma City, OK 73109

**This course consists of (3) consecutive days, detailing the duties and function of Project Managers.**

Each session consists of 4 hours of instruction covering these major divisions of the Project Life Cycle:

- Project Acquisition and Initiation
- Project Planning (Part One)
- Project Planning (Part Two)
- Project Execution (Part One)
- Project Execution (Part Two)
- Project Completion and Close-out

### COST

\$1,250 per student for members  
\$1500 for non-members

Attendees are responsible for all travel, hotel and other expenses. Meals will be provided.  
\*Multiple Student Discounts Available

**The Course Objectives are to:**

- Identify hard and soft skills necessary to effectively manage projects.
- Assess/evaluate current skill set to determine strengths and weaknesses.
- Provide resources and activities that will challenge participants as they develop/improve necessary skills.

### ELIGIBILITY

This program is intended for new Project Managers, or those interested in moving into this position within their company.

**What to Bring and Expectations:**

- All participants will need to bring a laptop with Wi-Fi connectivity. During this course, collectively we will create a shared Google/Teams/Drop Box, where docs will be shared, activities completed, etc.
- Expect to have homework on Wednesday and Thursday nights.

### INSTRUCTOR

Brian Brinkmann  
Brian is currently the Chief Operating Officer/Designer and works for Tutor Electric Service, Inc. in Fort Worth, TX.
